Good afternoon,

Dowgate conducts a weekly auction to match buyers and sellers of Debentures, closing every Thursday at 11 AM.
Each Debenture represents one seat. While they are quoted individually, they almost always trade in pairs

If you need individual tickets for the 2026 Championships instead of a complete debenture, I can connect you with a specialist Wimbledon Debenture ticket company.

Our most recent trades.

Centre Court 2026-30 at £280,500 per Debenture, now trading fully paid (but not including tickets for 2026 as they have been delivered to the Debenture holder by the AELTC)

No 1 Court 27-31 @ £71,000 per Debenture with the final instalment still to pay (£30k in March 2027).

For any issues, please call or email.

Tim

Please use the link below to access the application form. Please ensure the account name matches the name on the debentures, or the name under which they will be registered.

If you currently hold the Debentures in a company name or wish to register them under a company, you will need to use an alternative application form.

If you are interested in buying or selling a Debenture, we recommend setting up an account with Dowgate. While you can use other brokers, the settlement is done via stock transfer with AELTC (Wimbledon) as the registrar. Some larger brokers and small execution-only brokers only settle through Crest, so having an account with Dowgate simplifies the transaction. To create an account, please follow the link to our application form.

Wimbledon Debentures will be registered by the AELTC under the same name as your Dowgate account. If you need the Debentures in joint names or your firm's name, please set up the account accordingly.

Once successful in the auction, we will require your funds on account.

Many thanks,

Please Note - Debenture Buyer Restrictions

Due to regulatory and security law restrictions, please note the following in regards to Debenture registration:

No transfer will be registered if such transfer would result in a violation of applicable securities laws.

Transfers into the United States, Canada, Australia, Japan and South Africa are restricted altogether.
